Suzuki Music SA is a non-profit association of teachers and families based in South Australia dedicated to the principles and philosophies of Dr Shinichi Suzuki.

Families with children learning Suzuki method are expected to become members of the association so that they can experience the full benefits of a Suzuki education including:

- Access to high quality, trained teachers and resources.
- Access to a wide variety of performance and enrichment activities, including ensembles, group lessons, workshops, concerts, Winter Festival, Showcase, Suzuki graduation, Interstate Suzuki schools and Suzuki World conventions.
- Quarterly e-newsletter and free classified listing for buying and selling instruments.
- Being part of an international network of Suzuki families.
- Members receive discounts on a variety of musical goods and services from retailers detailed in our e-newsletter.

ASSOCIATION INVOLVEMENT – VOLUNTEERING

As a non-profit association, Suzuki Music SA relies almost solely on the goodwill of its members to voluntarily assist with its running. To do this more effectively, we need everyone to help out a little. We are hoping that over time, greater involvement will result in a stronger association and less reliance on just a few.

Please cross at least one area in which you can assist over the coming year.

Perhaps you would consider being in an event team, committee or in a particular role– see options below:
